Regional Seminar at Maplewood

Join us on Thursday - April 11th - 6:30 pm in the Fellowship Building of Maplewood Baptist Church for a practical seminar entitled "Engaging Addiction with the Gospel" lead by Rev. Matty Ponce-de-Leon, Pastor at Arlington First Baptist Church. Matty will be sharing from his personal experience with addiction how Pastors, leaders & congregations must possess a greater understanding of the issues facing this growing segment of our churches & communities. We all know the story of the Good Samaritan and like the religious leaders who ignored the man on the side of the road we have a choice. We can walk by and pretend the problem and the people don't exist...or we can realize we are to 'do something' about it! Who else is going to give them the Gospel? Who else is going to love them like Jesus loves them if it's not us - the Body of Christ! To register for this seminar, you may call the church office (336) 679-3555 or send an email to office@maplewoodbc.org.

ADDICTION

Unplanned in Theaters on March 29th

Unplanned is the inspiring true story of Abby Johnson and speaks to one of the most polarizing topics of our day - ABORTION. It's the account of a woman who was once its most passionate advocate and gives a voice to someone who has been on both sides of the abortion conversation.

From the writers/co-producers of God's Not Dead - UNPLANNED is an eye-opening look inside the abortion industry and is the most important movie you'll ever see on the most controversial issue of our time. No matter which side of the fence you're on, no one will leave this film unmoved by Abby's journey.
