Regional Seminar at Maplewood

Hope you'll join others from our community on Thursday - April 11th - 6:30 pm for a practical seminar entitled "Engaging Addiction with the Gospel" lead by Rev. Matty Ponce-de-Leon, Pastor at Arlington First Baptist Church. Matty will be sharing from his personal experience with addiction how Pastors, leaders & congregations must possess a greater understanding of the issues facing this growing segment of our churches & communities. We all know the story of the Good Samaritan and like the religious leaders who ignored the man on the side of the road we have a choice. We can walk by and pretend the problem and the people don't exist...or we can realize we are to 'do something' about it! Who else is going to give them the Gospel? Who else is going to love them like Jesus loves them if it's not us - the Body of Christ! To register for this seminar, you may call the church office (336) 679-3555 or send an email to office@maplewoodbc.org. This seminar will take place in our Fellowship Building...need folks to help greet those who come!!
