Fellowship
Building

Waddell will share how we've stewarded the financial resources entrusted to us by God through August '21. Copies of the June - August Financial report are on the table near the church office.

The Bldg & Grds will update us on the progress of the various approved projects - the latest to be completed is the paving for extra handicapped & guest parking along the circle drive.

Danny met recently with our Personnel Committee about 'revising' his job description. They've approved his revisions & will make a recommendation for us to adopt it. He desires to solely focus his responsibilities on the Music & Worship Ministry of MBC. The other significant change is in the requirement for staff to become church members. He would prefer to consider becoming a member of MBC, as God leads and not make it a requirement for serving as our Worship Leader. Copies are on the Info Table.

Mickey & the Deacon Selection Committee (Waddell, Clay, HL, Donald & Drake) will share their slate of New Deacons; as well as recommendations on our 2022 Ministry Leaders, Church Officers and those willing to serve on our various ministry teams in the coming year. Copies of this information will be made available as soon as they've completed their work.

We realize there may be some within our church family who are willing to participate in both efforts.

We'll have some shoeboxes, a list of gift item suggestions & labels ready for pick up by Oct 24th. You may 'drop off' your shoebox - filled with goodies & wrapped in love - the week of Nov 14th -21st.

Thank you for sharing with boys and girls a tangible expression of God's love through Samaritan's Ministries.
